

OFFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE.

Circular No. 6468-7577—C. S. 24, dated 18th January 1919.

It is the desire of Government that in the development of towns and villages according to the standards noted below, the aid, advice and co-operation of as many private persons as sympathise with and are truly willing to actively assist in such development should be enlisted. It is requested that Secretaries and Directorates of Co-operative Societies, besides enrolling themselves as active workers, will induce the more prominent members of their societies to join in this work.

It is also hoped that Directorates of Co-operative Societies will at the same time do everything to develop their own societies, and thus contribute to the general progress. In particular, Co-operative Societies can take a leading part in starting Reading Rooms and in interesting members in matters of education, sanitation, agriculture, etc., and in instituting night classes, lectures and magic lantern exhibitions. Local authorities will be glad to help the societies in these matters.

To—The Honorary Secretaries of all Co-operative Societies.

R. RANGA RAO,
Offg. Registrar.
